

A DETAILED ROAD MAP TO STAALBOUW VERELST LTD

The buildings of Staalbouw Verelst are strategically located in the centre of Belgium, in the Antwerp - Brussels - Hasselt triangle.

From Antwerp or Brussels

Take the E19 motorway (Antwerp-Brussels) and then take exit 9 (Mechelen Noord).

At the end of the exit you follow direction "Mechelen centrum".

Proceed on this road. You will pass a McDonalds and the Dodoens hospital.

At the traffic lights (after the hospital) you continue on the same road and drive under the crossover (N15 - direction Heist o/d Berg) until you reach the roundabout. On the left you will see the Nekkerhal, on the right Utopolis. Take the first junction on the roundabout.

Now follow the N15 for some time.

You will pass 3 junctions with traffic lights.

After passing an Q8 petrol station on the right, take the next street on the left, direction KMO-Zone Kleine Boom.

Our premises are on your left side, at the end of the KMO-Zone.

From Lier, Heist o/d Berg or Aarschot

Take the N10 (Lier - Heist o/d Berg - Aarschot) until you reach the roundabout (Dancing Fabiola - Brantano). On this roundabout take the junction direction Mechelen (= N15). Follow this road. You will cross two junctions with traffic lights. Continue on this road which passes through the centre of Putte. After passing the 2nd traffic lights, you will pass the Gemeentelijke Feesthallen Klein Boom and Meubelen Van Dessel (on the right). Now take the next street to the right, direction of KMO-Zone Klein Boom. Our premises are on your left side, at the end of the KMO-Zone.
